 Prices Quick Sheet

Initial SN Visit: ** Initial Appointment and 6-week Telehealth Follow-up

Intake Fee	All the items listed to the left are potential services. Depending on your child, some of them may occur and some may not occur. The total cost of your visit may be less than the deposit acquired at scheduling. If that occurs the remaining deposit amount will be credited to future appointments. If additional services are added (infusions, qEEG, NIH, etc.) the total cost of the initial visit may go above the initial deposit amount. You will receive quotes for all additional services added at the time of rendering and we will collect additional payment from you to cover the balance at the end of the appointment.
